Other useful information and sport practice:

I has been practising Viet Vo Dao for 21 years (Vietnamese Martial Arts).

My father is Nguyen Van Viet, actual National Technical Manager of the Region Lazio and President of the Council of the Teachers. This is the motive for which I have begun to practise the Viet Vo Dao since the infancy and my myth he has always been Bruce Lee (from here his/her passion for the cinema and the strong desire to become a stuntman professional). Nevertheless, for years I have succeeded in working only within the special figuration.

And' in the year 2004 that my career arrives to a point of turn: I am engaged for an important part in the last film of C. Amendola" The return of the Trash."

To today, job for a lot of productions, also foreigners developing more always my professionalism in the sector and acquiring more and more experience.

I have also practised Artistic Gymnastics and Swimming.
